Cabin Style

10' x 14' Cabin with many options!

The Cabin building is a gable building with an additional 4' porch. Functional, yet very attractive, comes standard with a double door and a single door, which makes it very versatile. It can be upgraded with shutters and flower boxes to give it a more homey feel. Our Cabin Styles are top of the line in design and functionality. **One window included.**

10' x 16' Cabin with these options: paint, extra window, metal roof & site prep.

Our cabins can be used as:

- A perfect playhouse for your children.
- A potting shed for avid gardeners.
- A campsite retreat for the weekend.
- A high-style storage option for upscale homes.
- A convenient pool house for changing or storage.

**Note: Sizes listed are room sizes.*

The porch adds an additional 4' in width to the room size. Example: 8'x12' room size = 12'x12' footprint.

Why we offer pre-primed

- Durable overlay for a beautiful, clean appearance
- Enhances the quality of any storage building
- **SmartGuard®** treatment protects against rot and termites

WAXES

Special water-resistant waxes coat each strand or fiber of wood for enhanced durability in rainy, humid environments.

ZINC BORATE

Engineered wood products treated with zinc borate have been proven to effectively resist damage from termites and fungal decay.

RESIN-SATURATED OVERLAY

Offers the final layer of protection against the elements, a resin-saturated overlay resists moisture intrusion while providing a durable base for quality paint adhesion and beauty.

ADVANCED BINDERS

Industrial-grade binders and resins offer incredible strength to resist impact damage from everyday airborne objects such as hail, sticks and golf balls.

Testimonials

GREAT JOB GUYS!!!

We had an awesome experience with Adam and Mike at Pine Craft.

Very friendly, professional and patient while we decided amongst the many options available.

We ended up going with a 12 x 24' Gable with the extra high walls. It was finished on time and delivered as stated. We felt bad for Buddy, the delivery guy, it started to thunder storm as he pulled into our driveway at 7:30am. He didn't seem phased a bit tho, he still did a great job, was polite and friendly. We would and have been recommending them to everyone! What a great company and a great group of Godly men. Was a pleasure doing business with you and God bless you and your families!

Much love - Ed and Vicki Burnett

Excellent Service! Very Happy to have hired you guys. Thank you!

Vince S., Hunting Valley, Ohio

Thanks again for sending a great crew to our home. The shed is awesome.

The guys did a great job and I appreciate it. I will definitely refer your company to anyone looking to have work done.

Thank you, Casey T., Mentor, Ohio

I've been using these guys for a few years. Excellent company! I've had a shed built from them and had a playhouse built by them. They have great customization options and work with you to fit all your needs. They had never built a clubhouse like I wanted for my kids but they did it and it turned out wonderful. I've also got a few poly furniture pieces and bird houses from them. I had a skylight ridge on my shed that was coming up after a 2 years so I called on it this morning. Less than 2 hours later they showed up and fixed it and inspected the other seams on the roof. If you need a shed or want any kind of out building or outside furniture I would highly recommend calling Pinecraft. Adam is the best customer service guy I have ever worked with.
